Dear

bernard

On behalf of everyone at Pembroke Dock Cricket Club I would like to thank you for making a terrific job of erecting the fence at the Imble Lane Ground.

At the last management committee meeting, our groundsman made a point of saying, how professional and skilled the chaps were carrying out the work.

Also, a number of cricketers and visitors have remarked on the workmanship.

I would to acknowledge the helpfulness provided by Mr Ben Aubrey, Site Manger, keeping us informed of the progress and ensuring the fence was completed prior to the season starting

If you have an advertising banner, we gladly erect it on the fence.

Yours sincerely

Andrew

Dear Kate

Re : Glamorgan Lawn Tennis and Croquet Club

I would just like to take this opportunity to say how very impressed I, and all our members are, with our now fencing. It is an extremely professional job and a lot better than how it was done previously, and I would have no hesitation in recommending your Company to other tennis clubs.

I would also like to add my own personal observation as to what very pleasant, helpful and diligent staff you have, especially Nigel. He clearly has a very high standard and is a real asset to your Company.

Please find enclosed my cheque for £2,782.80 in full and final settlement.

Yours Sincerely

C.R.V.Norris

Oveston

Dear Bernard,

Replacement fencing at the MUGA, Oveston Parish Hall

Oveston Parish Council has asked me to thank you, on their behalf for the excellent and professional way in which you undertook this work, and accommodated amendments along the way.

The Council was particularly pleased in the way you made suggestions to the original specification that in some cases reduced the costs incurred and certainly produced a better final product.

Yours sincerely

Richard Rogers
Clerk, Oveston Parish Council
